Parents we **“Thank you”** for allowing us to teach biblical values to your children.

We ask that you help by going over verses with your children in between meetings. If you see that a verse has been signed off on go the the next verse or two. Also verses are signed off of in each child’s book, so it is important for them to bring their book to each meeting. It is amazing to see how much these children learn in our time together.

Lastly pray for your children. That is the best gift that you can give them. May GOD BLESS your family.
