From the Pastor's Desk

The kids are back in school, football season is near (GO BUCKS!!!) and fall is in the air. I'm not a big fan of winter but I do like this time and the routine it brings to our lives after the summer season.

Fall is also an exciting time for our church.

Awana has already begun and our leaders are doing a great job teaching and reaching children with God's word. I always enjoy the "buzz" of excitement in the building on Wednesdays this time of year. Pray for this to be the best Awana year ever. We will also be starting a new season of LifeQuest on September 13th. These are great ways to grow in different areas of your Christian life. This season's classes include parenting, marriage, faith lessons, youth, and children classes. If you've never been a part of these consider making the ten week commitment to grow in your faith and in fellowship with other believers. Two special days I really want you to know about are Fusion Worship on September 6th and World Missions Day on November 8th. Fusion Worship has become a tradition at Bloom as we come together twice a year in one worship service at 10:15 A.M. This Fusion Worship will be devoted to prayer for spiritual awakening and for the new church year. Also, we will hear from Cindy Izzary about a new ministry at Stowe Mission. The service will be followed by the church picnic; don't miss it! World Mission Day is another Bloom tradition in the fall. On this day our entire offering is given toward mission causes around the world. Our guest this year will be Dr. Rich Halcombe from Metro Columbus Baptist Association who will be sharing some exciting things happening about central Ohio. Please plan to be present and begin preparing to give generously so the world may hear the gospel.

On September 13th, I will be starting a new sermon series called What We Believe taken from the Baptist Faith and Message. The Baptist Faith and Message is a statement of beliefs adopted by the Southern Baptist Convention which summarizes our beliefs about eighteen biblical doctrines. More than ever it is important for Christians to not only know what they believe, but why. Each week we will be considering at least one of these eighteen doctrines. I encourage you to make every effort to be in attendance for these messages.

Thank you for your faithfulness to the Lord and to your church. *"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."* – Galatians 6:9

Blessings,
Pastor Mike

The mission of the youth program at Bloom Baptist Church is to love, educate, and equip students with the tools necessary for them to serve Jesus Christ and the cause of His kingdom locally, nationally, and globally. We aim to help them understand who Jesus is, what their relationship to Him is, and how to love Him and each other because we are made in the image of God. If you have a student in 7th-12th grade we encourage you to get them involved in the youth group!
